

# Convoy Commanders

# Situation

**You are required to perform duties as a Convoy Commander.**

**What do you do?**

# Convoy Commander

All instructions are given by the march unit commander. Vehicles will not start or move until the hand signal given by him/her.

# Convoy Troop Leader Procedures (TLPs)

# Receive The Mission

- **Who** is in the convoy?
- **What** equipment is in the convoy?
- **Where** are we going?
- **When** are we leaving?
- **Why** are we conducting the convoy/mission?

# Issue A Warning Order

- Contact Key Leaders
- At a minimum, give:
  - Situation
  - Mission
  - General Instructions
  - Specific Instructions

# Make A Tentative Plan

- Determine order of march.
- Assign serial commander.
- Separate key leaders during convoy and know their location.
- Choose trail vehicle wisely.

# Start Necessary Movement

- Ensure serial/march unit commander perform pre-departure checks/duties.
- Submit convoy clearance request.
  - Training events
  - Internal vs. External Regulations
  - Internal documents vs. External documents

# Recon

- Map
- Ground
- Air
- Prepare your strip map and ensure all drivers have one.

# Complete The Plan

- Complete the plan based on recon.
- Review the mission and commander's intent to ensure that the plan meets the requirements.

# Issue A Complete OPORD

- Issue convoy operations order to aid subordinates in understanding the mission.
- Use terrain models or sketches.
- Ensure subordinates understand the mission and their assigned tasks.
- Issue strip maps.
- Conduct brief backs.

# Supervise

- Conduct rehearsals.
- Conduct inspections.
